Regulation 11 (1) Comah Regulation 2015

11. (1) Every operator of an upper-tier establishment shall prepare and submit to the Central Competent Authority in writing, in whatever format that Authority may specify, a safety report for the purposes of—
(a) demonstrating that a MAPP and a safety management system for implementing it have been put into effect in accordance with the information set out in Schedule 2;
(b) demonstrating that major accident hazards and possible major accident scenarios have been identified and that the necessary measures have been taken to prevent such accidents and to limit their consequences for human health and the environment;
(c) demonstrating that adequate safety and reliability have been taken into account in the design, construction, operation and maintenance of any installation, storage facility, equipment and infrastructure connected with its operation which are linked to major accident hazards inside the establishment;
(d) demonstrating that internal emergency plans have been drawn up and supplying information to enable the external emergency plan to be drawn up; and
(e) providing sufficient information to the competent authority to enable decisions to be made regarding the siting of new activities or developments in or around existing establishments.

11. (2) The safety report shall—
(*a*) contain at least the data and information specified in Schedule 3; and
(*b*) name the relevant organisations involved in the drawing up of the report.
