

# PEDESTRIAN SAFETY A STICKY ISSUE

Do you ever go near vehicles in a workplace?

Then **STICK** to these points!

Yes...

## **STICK** to the rules

Rules are there to protect

## **STICK** to walking

It's not a training ground

## **STICK** to the pedestrian walkway

It's what it's there for

## **STICK** to crossing points

Drivers will be looking out for you

## **STICK** on a High Visibility Jacket

Be seen, be safe

## **STICK** with your guide

If you're visiting, ask someone to take you around

## **STICK** your eyes and ears out

Look and listen, remember some vehicles are very quiet

## **STICK** up for yourself and others

Report unsafe acts or defects to the person in charge
