# Quarries All-Island Seminar

This seminar has been organised by the following organisations HSA, HSENI, Institute of Quarrying, Irish Concrete Federation, Quarry Products Association Northern Ireland and the Irish Mining & Quarrying Society. You are cordially invited to this seminar which will provide essential information and best practice for the quarry industry.

Speakers will use examples to illustrate best practice and will give practical information to help industry manage. There will be opportunities to ask questions

Occupational Health issues will be examined and the question of worker competence will be addressed.

This seminar will be of interest to all involved in the quarrying process including contractors who operate in quarries.

## REGISTRATION FORM

To register for the Quarries All-Island Seminar –please detach or photocopy this registration form. The event costs £25.00 or 30 Euros per person, which includes a conference lunch and refreshments.
