## The award

The CSP Small Contractor / Sub Contractor Innovation Award will be awarded to a small contractor who has introduced an innovation / change to the way that they operate that has made improvements to health and safety within the last three years. This may have been a small engineering change or indeed a management change that has been adopted by the company to address a safety problem that existed. The aim of this award is to highlight and reward the commitment of small enterprises to improving health and safety performance within their organisations.

## How to apply for the award?

Candidates may nominate themselves or indeed they may be nominated by a client, main contractor or worker – anyone who is of the opinion that their organisation has grasped a health and safety issue and introduced a novel / innovative idea to address a problem. The action taken should have been instigated in the last three years and should have been introduced specifically to resolve a health and safety issue.

## Who is eligible?

Any small contractor / sub contractor (employing less than 20 people) who work in the construction industry.

## How to enter

To nominate someone or to enter directly, please complete the Nomination Form overleaf, which should be signed by a manager and returned to:

Construction Safety Innovation Awards  
National Irish Safety Organisation  
All Calmount Park, Ballymount, Dublin 12

Completed application forms must be returned to NISO not later than Friday, 29 August 2014.

## The judges

The competition will be judged by a panel of adjudicators including representative(s) from NISO and CSP.

## The winning award

A certificate and prize will be presented to the overall winner at the NISO Annual Awards Presentation Dinner on 3 October 2014 in the Mullingar Park Hotel, Mullingar, Co Westmeath.
