

Cross Border Conference for Construction Safety

A Seminar for everyone involved in construction work

October 16th 2014

The Hillgrove Hotel, Old Armagh Road, Monaghan, Co Monaghan

HSA and HSENI would like to invite you to the 4th Cross Border Construction Conference. This Conference will provide essential updates and information to assist you in managing Health and Safety in Construction. Information on a range of topics will be provided by expert industry speakers;

- Occupational Health in Construction
- New approaches to managing Health and Safety
- Guidance on the New Health and Safety Regulations

Speakers will use practical examples to illustrate best practice. The first part of the seminar will focus on occupational health issues with the second part giving you information on new ways to manage health and safety and an update on new regulations and technologies.

The seminar will be focusing on the key risk areas in both jurisdictions and updating delegates on new publications and management tools in construction.
