

Watch Out - Traffic About!

Pedestrian Safety Tips

Always:

- Remember that you may not be visible to drivers.
- Stick to designated walkways & crossing points.
- Remember that different vehicles have different stopping distances. Respect them.
- Wear High Visibility clothing when working with or near moving vehicles.

Don't:

- Enter "No Pedestrians" or "Vehicle Only" areas.
- Walk beside a moving vehicle.
- Approach a moving vehicle. Wait until the driver acknowledges your presence.
- Walk behind a reversing vehicle. Remember vehicles can have blind spots.

These simple steps save lives.
