

European Communities (Carriage of Dangerous Goods by Road and Use of Transportable Pressure Equipment) Regulations 2011 to 2018

**Competent Authority Recognition CA(R) 01/2019**

On account of there being no standard referenced in ADR 6.2.2 or 6.2.4 specifically for components for gas extinguishing systems for fixed firefighting systems, and in accordance with ADR 6.2.5, the Health and Safety Authority, as Competent Authority appointed under Regulation 10 (1)(g) of the European Communities (Carriage of Dangerous Goods and Use of Transportable Pressure Equipment) Regulations 2011 to 2018, hereby recognises the use of standard I.S. EN 12094-4:2004 - Fixed firefighting systems – components for gas extinguishing systems – Part 4: Requirements and test methods for container valve assemblies and their actuators.

This recognition is valid with immediate effect and will remain in force until it is revised or withdrawn.

For the Health and Safety Authority
