Multilateral Agreement M363

under section 1.5.1 of ADR

**in relations to the carriage of vehicles in accordance with special
provision 666**

(1) By derogation from special Provision 666 (e), vehicles that are fully enclosed by packagings, crates or other means that prevent ready identification are not subject to the marking and labelling requirements of Chapter 5.2.

(2) This agreement shall be valid until 31st December 2026 for carriage in the territories of those ADR Contracting Parties signatory to this Agreement. If it is revoked before then by one of the signatories, it shall remain valid until the abovementioned date only for carriage on the territories of those ADR Contracting Parties signatory to this Agreement which have not revoked it.
